

The Foundations of Hawai'i Pacific Health Fundraising Guide

Thank you for your interest in supporting the medical care provided to kids and families at the hospitals of Hawai'i Pacific Health through fundraising.

Please submit this fundraising application to The Foundations of Hawai'i Pacific Health prior to your fundraiser.

At Hawai'i Pacific Health, we seek to improve the health of Hawai'i's people through funding of medical care, health education, equipment and research. We are grateful to the many individuals, organizations and community groups who organize and coordinate events and activities throughout the community and choose to donate their proceeds to the hospitals of Hawai'i Pacific Health. No matter how large or small, these initiatives are invaluable to the overall fundraising efforts of Hawai'i Pacific Health's hospitals.

Guidelines for Fundraising Event and Promotions

There are many fun ways you can raise funds for Kapi'olani Medical Center for Women & Children, Straub Benioff Medical Center, Pali Momi Medical Center and Wilcox Medical Center. Our Foundations have fundraising guidelines you should consider before you create your fundraising activity.

- Printed materials and other messaging should state that your event is benefiting the hospital. For example, "Proceeds will benefit Kapi'olani Medical Center for Women & Children" or "75% of proceeds will benefit Pali Momi Medical Center."
- If you plan to approach businesses and corporations for support (sponsorship, in-kind gifts, promotion, etc.) please provide a list of prospective contacts to The Foundations of Hawai'i Pacific Health before soliciting donations on our behalf. Many local organizations may already be supporters and we want to avoid multiple requests to our partners. We may also have suggestions about your solicitations based on our experience with different companies.
- Due to confidentiality commitments, The Foundations of Hawai'i Pacific Health is unable to release donor, volunteer, employee, physician or other mailing lists for the purpose of solicitation of funds or participation in your event or project.
- If circumstances warrant, The Foundations of Hawai'i Pacific Health may opt out as a beneficiary of the event/promotion at any time with no obligation.
- Within 45 days of your completed fundraising event/promotion, please send a final accounting of income and expenses along with your proceeds to The Foundations of Hawai'i Pacific Health. Please also include contact information for individuals and organizations that need receipts for tax purposes — this includes in-kind donations of \$50 or more.
- Your fundraising group is responsible for recruitment of volunteers to support your event.
- All necessary permits and certificates of insurance required by city ordinance or otherwise is the responsibility of your fundraising group.
- Logo usage is subject to approval of The Foundations of Hawai'i Pacific Health.
- All commercial fundraising partners must complete the State of Hawai'i Attorney General's Commercial Co-Venturer form to be submitted prior to the partnership. You can find it here: <https://charity.ehawaii.gov/charity/apply-promotion.html>
- In addition, it is the event organizer's responsibility to manage the logistics, and ultimately for the success of the fundraising activity.
- Unfortunately, Hawai'i Pacific Health cannot purchase items to re-sell, provide our donor lists for third-party use, hold fundraising events at the hospital, issue tax receipts other than as allowed under IRS Guidelines or support an event where less than 100% of the net proceeds benefit our hospital.

- The Foundations of Hawai'i Pacific Health is unable to advance monies, solicit sponsorship or sell tickets on behalf of your group.
