★ 20 years of miracles ★

SEPTEMBER 17-18, 2026

For decades, inspiring stories of miracles at Kapi'olani Medical Center for Women & Children have touched radio listeners across Hawai'i and around the world. On Thursday and Friday, Sept. 17 and 18, the Kapi'olani Radiothon for Kids will celebrate 20 years of sharing miracles on the airwaves of KSSK and KSSKRadio.iHeart.com. This milestone community event will feature powerful stories from keiki and families who received care at Kapi'olani; a lively phone bank staffed by sponsors, volunteers and Kapi'olani team members; and exciting check presentations from generous local organizations across Hawai'i.

ABOUT THE EVENT

On Sept. 17 and 18, the special 20th anniversary Kapi'olani Radiothon for Kids will take to the airwaves on KSSK. The live broadcast inspires listeners to call in and donate to help families with children affected by illness, injury and disease. In 2025, the Kapi'olani Radiothon brought our community together in a powerful way, with listeners, sponsors and volunteers rallying around our mission. Thanks to their generosity, the event raised a record-breaking \$910,285 to support Kapi'olani's vital work caring for Hawai'i's keiki and families.

We are honored to have KSSK as a committed partner of Children's Miracle Network and Kapi'olani. KSSK listeners and Kapi'olani supporters have raised over \$5 million for the medical center since 2006. Children's Miracle Network is an international not-for-profit organization that raises funds and awareness for children's hospitals. Kapi'olani is proud to be the only Children's Miracle Network hospital in Hawai'i serving keiki and their families across the Pacific region.
